Dear Parents,

FCAT testing is approaching fast. Testing will take place on Tuesday March 10th and Wednesday March 11th. Here is what you can do to help your child succeed on the FCAT.

Now you can:

1. Make sure your child has good attendance in school. Teachers are currently reviewing important test material.
2. If you have internet access, have your child work on the FCAT Explorer or FCAT Focus Achieves website. To access these sites, go to www.ernestward.com and click on the FCAT information link on the left. Then scroll down to FCAT Explorer or FCAT Achieves. Username and Password information are on the website. I would recommend that your child spend about 15 - 20 minutes each night.

The Week of Testing:

1. Make sure your child gets a good night sleep.
2. Make sure your child eats a good breakfast on test dates.
3. Encourage your child to do their best on the test.

Thanks for all you do, and please feel free to call the school if you have any questions.

Nancy Gindl-Perry
