Vehicle: 1990 Toyota  
Location of arrest: Arlington Ave & W Street  
Date and Time of arrest: 2:15 am 7/1/09

Dear John ,

The vehicle registered in your name was involved in an arrest for violation(s) of Florida's laws prohibiting prostitution. Attached is a copy of the Florida Statute for your review. The individual arrested from your vehicle is \_\_\_\_\_. As vehicle owner, you should be aware of the Florida Contraband Forfeiture Act wherein motor vehicles can be seized if they are used in violation of this act. The Escambia County Sheriff's Office is notifying you so that you can consider these factors in deciding whether to allow others to drive your automobiles.

It is important for you to realize that the above named person and his/her significant other may have been exposed to a Sexually Transmitted Disease (STD). Certain STDs, like HIV, are incurable and may not be noticeable for a long time. It is possible to be exposed to an STD even if your partner was with a prostitute only once. Getting tested is important to your health and may impact your future ability to have children. Confidential STD testing is available through your private doctor or the Escambia County Health Department (850-595-6532). Fees may be involved.

It is a common myth that prostitution is a "victimless crime" or that it is "an act between two consenting adults." Prostitution is a crime which is linked to drugs (use and sale), acts of violence toward prostitutes and their customers and in the worst cases, human trafficking in juveniles for the sex trade. In addition to STD's, other viruses can spread through intimate contact with random individuals whom you may not know. Hepatitis, HIC and HPV can all be unknowingly transmitted and can lead to serious, and fatal, illness.

Prostitution, soliciting for prostitution and the other activities described in the attached statute (F.S.S. 796.07) will not be tolerated in Escambia County. If you think you may have been exposed to any communicable diseases after reading the contents of this letter, please contact your health care provider or the Escambia County Health Department for evaluation before having intimate contact with other people to help prevent the spreading of serious conditions.

Sincerely,

  
David Morgan  
Sheriff, Escambia County
