

WEST FLORIDA ELITE SOFTBALL SUMMER TRYOUTS

West Florida Elite was established in 2003 with a mission to assist female athletes in the development of their softball skills to prepare them for a future as a college student athlete. Our organization has had over 100 players play at the collegiate level and is recognized as one of the top softball organizations in the Gulf Coast Region. Our goal is to provide our athletes an opportunity to compete at the highest level possible by playing the most competitive tournaments throughout the southeast. The 2014 West Florida Elite class had 18 players sign a National Letter of Intent to play at the next level. If you want to be challenged and have what it takes see you at tryouts.
