

GED Classes Are Up and Running at the Molino Library!!

WANT TO GET YOUR GED/HIGH SCHOOL DIPLOMA?

WANT TO BRUSH UP ON BASIC READING OR MATH SKILLS?

JUST NEED SOME HELP IN PREPARING TO TAKE THE GED TEST?

NOW IS A GREAT TIME TO INVEST IN YOUR FUTURE!!

Fall 2018 GED classes have started at the Molino Community Center. Tuition is just \$30.00 per semester and students may enroll anytime as there is an open enrollment policy.

George Stone Technical College is partnering with the **Molino Community Center** to offer ABE/GED classes every Monday and Thursday from 6:00 p.m. to 8:00 p.m. Students who would like a little extra help can also come from 5:00 p.m. to 6:00 p.m. for open lab tutoring. Classes are actively taught by 2 certified teachers and personalized instruction is given based on each student's academic level. Tutors are also available during class time! We have the proven prescription for success in passing the GED test. We use direct instruction, as well as materials that are aligned to the "actual" content of the GED test. When students are ready to take the test, they can feel confident and assured of a passing score. To find out more about the **Molino GED class**, call Patricia Harrison at 850-941-6200 ext. 2361, or just show up for class and we will assist you with registration.

If this location is not convenient, GSTC also offers GED classes at **Ensley Elementary** every Tuesday and Thursday from 4:00 to 6:00 p.m. Tuition is free at the **Ensley Elementary** site. **GED classes** are also offered at **Pathways For Change** every Tuesday, Wednesday & Thursday from 9:30 a.m. to 12:00 p.m. Free childcare is provided at the **Pathways For Change** site.

For more information about other Adult Education Programs offered by George Stone Technical College visit the webpage at www.georgestonecenter.com. You can also pre-register for class by filling out the online application at www.georgestonecenter.com.
