

## NOW HIRING: NATURAL GAS UTILITY WORKER

 Town of Century, Florida

 Make a Difference. Power a Community.

Are you ready to get your hands dirty and help keep Century running strong? The Town of Century is looking for a dedicated, safety-minded, and motivated Natural Gas Utility Worker to join our team!

### What You'll Do:

This isn't your average desk job. You'll be out in the field, ensuring the safe and reliable delivery of natural gas to our residents and businesses. From responding to gas leaks and system emergencies to installing and maintaining critical infrastructure—you'll be a frontline hero in our essential services team.

### What We're Looking For:

We're seeking candidates with a high school diploma or GED, a valid Driver's License, and ideally, some experience working with natural gas systems or underground utilities. If you're not already certified, don't worry—we'll help you get there!

### You Should Be:

- Skilled with tools and equipment
- Comfortable with maps, meters, and mobile devices
- Physically able to lift, dig, and work in the elements
- A team player with strong communication and safety-first mindset

### Be Ready for Action:

This position participates in a rotating on-call schedule (yes, even weekends and holidays—because gas emergencies don't take time off). In return, you'll gain valuable experience, meaningful work, and the chance to build a stable, long-term career in the utility industry.

### Position Details:

- Salary: To be determined based on the Town's pay plan
- Fringe Benefits: Excellent benefits package offered
- Location: Town of Century, FL
- Department: Gas Department
- Reports To: Natural Gas Superintendent

### **Why Century?**

We're a tight-knit community where your work directly impacts neighbors and families. The Town of Century is an Equal Opportunity Employer and encourages veterans, minorities, and individuals with trade certifications to apply.

### **Apply Today!**
