

WELCOME RESIDENTS OF THE TOWN OF CENTURY!

Effective February 1st, Waste Pro will be your new solid waste provider. We are excited to serve the residents of the Town of Century.

Green Cart with Blue Lid for Garbage

**Your Garbage Collection Day:
FRIDAY**

Set your Green cart with the blue lid at the curb by 6:00 a.m. on your collection day

Green Cart with Black Lid for Yard Waste

**Your Yard Waste Collection Day:
TUESDAY**

Set your green cart with black lid at the curb by 6:00 a.m. on your collection day

Please contact The Town of Century at **850-256-3208 with any questions**

Garbage

To ensure that your collection is not missed, please place your garbage cart at the curb by 6:00 a.m. on your assigned collection day. At least three feet of clearance should be left between the carts and any other object, such as your mailbox. The lid of the cart should be closed, with no debris outside of the cart.

Additional carts can be requested for an additional fee. Please contact The Town of Century at 850-256-3208.

Yard Waste

Yard waste shall be placed in yard waste cart only. No yard waste, including the cart itself and its contents, shall exceed 250 pounds.

Bulk

Waste Pro will provide bulk collection on a quarterly basis up to 8 cubic yards:

ACCEPTABLE ITEMS

- Furniture (sofa, chair, mattress, box spring)
- White Goods (washer, dryer, hot water heater, refrigerator)

EXCLUDED ITEMS

- Tires
- Paint containers
- Propane tanks
- Biomedical waste
- Biological waste

HAZARDOUS WASTE

- Medical waste
- Automotive oils and fluids
- Electronics
- Batteries
- Solvents and oxidizers

Additional detailed service information will be sent with your bulk service schedule.

Yard Waste

The Yard Waste container is used solely for the collection of yard waste.

Acceptable Yard Waste means any vegetative matter, contained in a yard waste container provided by Waste Pro, resulting from yard and landscape maintenance operations by any party and includes materials such as trees and shrub materials, grass clippings, palm fronds, tree branches, and other materials usually produced in the care of lawns, landscaping, and yards. Landscape timbers, rocks, dirt, edging material and all other nongrowing materials are not considered yard waste. Residential Yard Waste must be no more than four feet (4') in length and no single item shall weigh more than fifty (50) pounds. The total weight of the container cannot exceed (250) pounds. Natural Christmas trees will be collected as Residential Yard Waste provided that the tree is no more than eight feet (8') in length or weighs more than fifty (50) pounds. For clarity, any yard waste not contained in a yard waste cart will not be collected.

Residential Yard Waste Collection will be collected from Residences in the Town each Tuesday. In order to be collected the container needs to be placed out by 6am and the Yard Waste must be placed in a Yard Waste Cart provided by the Waste Pro and must be placed Curbside. All Yard Waste will be collected separately from, and not be commingled with, Solid Waste. Waste Pro will not be required to collect Yard Waste from a Residence if the Yard Waste is contaminated with any other waste and does not comply with the requirements above, Waste Pro will not collect on any scheduled collection day more than the Waste Pro supplied Cart(s) hold(s).
