Dear Town Council of Town of Century:

First, I would like to thank the citizens of the Town of Century for trusting me to serve on the Town Council and to work to help the Town of Century to become better.

In this current working climate that so many employers are facing, my job has taken an unexpected toll on me with shift changes, short staff, and other matters I do not have control over.

Today, I realized with sadness that, to benefit of the Town, I must tender my resignation from Council Seat No. 3 effective immediately.

Century is my home; the place I want to help grow and be better. Council please put someone in place who has the time and effort needed to continue the forward momentum we have started.

It has been an honor working for the citizens and with the Mayor and Town Council and a blessing to have learned so much from Ms. Howington.

Unfortunately, I cannot put my time and effort into serving the citizens like I wish I could.

Sincerely,

Leonard White

Council Seat No. 3

Signed before me at
12:10 pm on 9/27/2022.
